Dining at The Fountains at Greenbriar isn't what you'd expect from a retirement community. In fact, we think you'll be amazed. Do you expect your meals to be prepared by a skilled chef with optional wine service? Graciously served by friendly staff with impeccable attention to detail? This isn't a dining room in a retirement community, this is an evening spent at one of your favorite restaurants! Every fall, you can look forward to the best BBQ chefs in Kansas City competing for bragging rights and cash prizes right here at the **BLAZE OFF**, one of our favorite annual events. # TOWN CENTER LIVING

At The Fountains at Greenbriar, you'll find fun and friends everywhere you turn. We're like family here and our approach is refreshingly down to earth – like we are. If you like the company of interesting, outgoing people, you'll love our community because we seem to attract them. Someone in our cast of characters is always up for the next adventure, whether it's a train trip to Chicago or a hot air balloon ride over the Kansas countryside. You may also find them playing cards, painting a masterpiece, learning a new instrument or taking up line dancing. Whatever you like to do, you're bound to find friends with common interests.

Around here we like to say “it's go time” when you want it and “slow time” when you don't. If you're ever feeling under the weather, you can even get the extra help you need from Interim HealthCare, delivered right to your door.

The background is a solid dark blue color. Overlaid on this are several thick, light blue curved lines. One large arc starts from the left edge and curves upwards and to the right. Below it, there are more complex, swirling lines that resemble stylized calligraphy or organic forms, including a prominent spiral on the left side.

Creating extraordinary and innovative communities where people **thrive**.
